Mr. Rasmussen:

We at Southern Minerals Group want you to know how much we are enjoying our Eagle Creek modular office (Delivered 11/2/2017). We are the envy of all who work in the mine where we do business. Our office is warm in the winter and cool in the summer. It rebuffs the wind and is very solidly built. The office is bright and open and a pleasure to work in. When our job is complete here, we can put the office back on wheels and take it with us.

We've had three small repair issues. Two were warranty; one was not. You took care of all of them promptly and completely. Thank you.

Good building. Good job. It's a pleasure to do business with people who actually deliver what they promise.

Sincerely,

Stan Brown
Office Manager
